Our amazing venue provides the ultimate setting for a party, with spectacular lighting, video projection, theming and a separate lakeview games marquee packed full of entertainment.

## The place to be for your Christmas Party in 2018!

With over 20 years of entertaining people, we know how to deliver the best party in town!

A special cocktail welcomes you as we transport you to our New York themed Miracle on 34th Street Christmas Party.

During your beautifully prepared three course festive dinner, there will be plenty of live entertainment as we bring you gifts aplenty for all to enjoy – delightful dancing and joyful songs to set the scene; acrobatic aerial displays and dreamy characters to welcome you to Wonderland...

And as for the Big Fella – you do believe in Santa don't you? No? Well, we'll see about that! Ho, Ho, Ho and away we go!

After dinner, the Games Marquee opens. The Marquee is packed full of games, amusements, entertainment and photo opportunities.

We have a Fun Casino, Rocking Rudolph, Sumo Santas, Snowboard Simulator, Virtual Reality Downhill Skiing, Giant Games and much, much more and of course... The Dodgems\*!

With its own bar, the Games Marquee is the place to be for those who just want to have fun.

Back in the main room is where the party people strut their stuff. Our resident DJ will entice you to the dancefloor with a brilliant selection of music, spectacular lighting and lasers. You can bust your best moves until the early hours!
